## News From The Commander

Comrades and Auxiliary Members of Post 7264

Welcome to our new 2022 - 2023 VFW calendar year!

This year's mission is membership and completing all State and National VFW programs, while supporting our high desert community. I would like to extend a huge thank you and welcome to our new officers. Our Post is motivated, and the staff is involved and we are honored to serve the comrades and auxiliary members.

Last month our Post/Auxiliary had a strong showing at the VFW State Convention. The Flying Doctors has partnered with VFW CA and will be providing free clinics throughout the State. We recently established a new partnership with Bridge Hospice, and we will be visiting and assisting with Veteran's in need.

Our Post is growing and changing! Change can be difficult to manage but we must adjust how we operate or be left behind. The best way to keep up to date is to attend Post and Auxiliary meetings and let your voice be heard. We will be posting updates regularly on our social media and website. We are always looking for more members to volunteer for events.

*Our calendar is subject to change so please keep up-to-date by visiting our website <https://vfw7264.org> and follow us on Facebook at <https://www.facebook.com/VFW7264JT>.*

If you require or if you know anyone who requires any assistance, please contact the Post at 760+366-2717.

The next Post meeting is July 2nd @ 10am, House Committee @ 9:30am. Auxiliary meeting is July 9th @ 10am.

Quartermaster

T. J. Charles

Hello Post members and Auxiliary members!!  
As the new Quartermaster I am looking forward to serving with our new officers and all our Post members.

We are currently working on numerous Post improvement projects which will benefit all of us. Please bear with us as change is happening.

We've implemented a couple of new policies:

1. The Post is no longer accepting food donations due to expired food being donated that we have to throw away.
2. The Post is no longer accepting material donations such as wheelchairs, walkers, canes, clothes, etc. We just don't have space to store these items anymore.

In the near future, the Commander's Office will move to the Commander's Shed. There will be limited access to this space. This will allow our wonderful bartenders to have their own space in the building.

On the 23rd we will have a commercial shredding company on deck from 0900-1200. If you have documents that need shredding, please feel free to bring them in to shred. You will have to take the shredded paper home with you to dispose of it. If you have any questions, please feel free to call the Post.

Thank you for your support and dedication!

Auxiliary NEWS

Ellie Sherwin  
President

The 98th Department of California State Convention has come and gone. I would like to thank two of our Auxiliary members, Laurie Phar and Danielle Taylor for representing our Auxiliary at the convention. I'm, hoping one or both will give us a report on anything of interest at our July 9th meeting.

At our May meeting it was voted on to set aside \$100 for a gift basket to be donated at the Auxiliary Convention. Laurie Phar and Danielle Taylor volunteered to take on the task of putting the basket together. Thanks to both of you for a job well done! The gift basket came in 6th place, raising \$90 for the convention.

Items included in the basket were as follows: Ann Lear Art piece, \$50 gift card donated by Dez Bakery; Hair Cut from the Beauty Bubble; 2 Candles from Joshua Tree Candle; Art piece from one of Laurie Phar's friends; Joshua Women's Tee from Laurie; A Travelers book, all about Joshua Tree from Ann Lear; Joshua Tree Honey from the Visitors Center Café; 1 Hoodie and T-Shirt from our Post. All items were donated, therefore the \$100 was not used.

We would like to congratulate Brenda Wardrip on becoming District Auxiliary President once again, good luck in the coming year.

We would also like to thank our hard working Auxiliary and Post members for all they do on Taco Wednesdays. We would like to ask any member who would like to volunteer for Auxiliary or Post events to please reach out to us. Your help would be greatly appreciated as we keep growing.

We will continue to strengthen our mission of unwavering support for uncommon heroes. Thank-you for being a part of this great organization

The next meeting of the Auxiliary will be July 9th at 10am.

Birthday Celebrations
